INDEPENDENT AUDITOR'S REVIEW REPORT

Qualified Opinion

I have audited the accompanying financial report as at 30 June 2018, being a special purpose financial report, of Eloise Gannon Foundation Ltd, which comprises the balance sheet, the income statement, statement of changes in equity, cashflow statement, a summary of significant accounting policies, other explanatory notes and the committee member's declarations.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial report as at 30 June 2018 gives a true and fair view of Eloise Gannon Foundation Ltd financial affairs on the basis of accounting set out in the Statement of Significant Accounting Policies.

Basis for Qualified Opinion

As is common for organisations of this type, it is not practicable for Eloise Gannon Foundation Ltd to maintain an effective system of internal control over fundraising activities until their initial entry into the accounting records. Accordingly our audit in relation to fundraising activities was limited to amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. I am independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter – Basis of Accounting

I draw attention to the notes to and forming part of the financial statements, which describes the basis of accounting. The financial report has been prepared for distribution to members for the purpose of fulfilling Eloise Gannon Foundation Ltd financial reporting obligations in accordance with Div 60 of the Australian Charities and Not for Profits Commission Act 2012 (ACNC Act) and the Collections Act 1966. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Committees' Responsibility for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF
ELOISE GANNON FOUNDATION LTD

Auditor's Responsibility

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
